SUMMARY

Full Stack Web developer and leveraging background in Civil Engineering and Commerce to provide unique perspectives on websites and software platforms. Studying to earn a certificate in Full Stack Web Development from the University of Sydney Coding Boot Camp and current student at UNSW for Civil Engineering and Commerce. Keen on meeting new people and hone my technical and soft skills along the way. Strengths in teamwork, creativity and problem solving.

TECHNICAL SKILLS

HTML, CSS, JavaScript, JQuery, Bootstrap, Node Js, MySQL, Foundation CSS, Express, ReactJS, Heroku, MongoDB & GitHub

PROJECTS

Food Recipe Finder | [GitHub Repo](#) | [GitHub Deployment Link](#)

- Summary: Group project using server-side API to develop a working program to solve a problem. Collaborated using agile development methods and implemented features using git branches
- Role: Group Member, worked on the idea of the project and accomplished key components behind the JavaScript and CSS side of the project.
- Tools: HTML, CSS, JavaScript, Foundation CSS, Edaman API, PokeAPI, Font Awesome

Team Card Generator | [GitHub Repo](#) | [Example of the Generated Code](#)

- Summary: Used Node Js to prompt users a series of questions. Based on the response, it will generate a HTML page containing all the team members. Program contains basic testing and ES6 features
- Role: Sole Contributor
- Tools: HTML, CSS, JavaScript, Bootstrap, NPM Inquirer, NPM Jest, Font Awesome

Star Wars Themed E-Commerce Site | [GitHub Repo](#) | [Heroku Deployed Link](#)

- Summary: Created a full stack application following the MVC structure to allow users to list, update and delete items for sale. This program features Express nodes to handle backend server requests and includes Account creation for enhanced user experience.
- Role: Group Member, sole contributor of back-end, and sections of front-end development.
- Tools: HTML, Express servers, Node Js, MySQL/Sequelize, Bcrypt and MVC structure

EXPERIENCE

Coles Express – Team Member

2021-Current
Western Sydney, NSW

Responsible for serving a high flow of customers and stock management in a fast-paced environment.

Key Accomplishments:

- Worked independently and as part of a team to ensure store standards are maintained
- Satisfied upward of 50 customers per shift with exceptional service and developed soft skills
- Coordinated training for new team members and helped them integrate into the team environment
- Operated in 8 different stores in the Western Sydney area, acquiring new skills
